

## Happy Holidays to One and All

As the holiday season approaches, I want to take this opportunity to wish all of my existing and future customers one filled with health and happiness. As for prosperity, I am hopeful that 2009 brings a needed change to the many that are experiencing difficulties now. In that spirit, I would like to offer a **10% discount** on any wines ordered in the month of December (shipping fees not included in the discount). The discount will not be reflected on the total displayed on the web site but will be taken when I confirm the order with you before shipping.

For those of you that have already ordered in December, I will be sending you a refund check in the amount of 10% of your order (not including the shipping fees).

This is my small way of acknowledging our difficult times and hoping that my wine will put a smile on your face with the first taste. Visit [www.julielepla.com](http://www.julielepla.com) to order your wine. Wines shipped by next Monday, 12/22 should arrive at most locations in time for your holiday celebrations.

Enjoy the days ahead ... I will be back to you in early 2009 with news from the Winery!
